and

CERBERUS-PLASMA HOLDINGS, LLC,

Defendants.

Civil Action No. 09-1000 (CKK)

ORDER TO UNSEAL CASE
(June 1, 2009)

The above-captioned matter was filed under seal on May 28, 2009. Plaintiff Federal Trade Commission ("FTC") subsequently filed a Motion to Unseal the Complaint. Thereafter, on May 29, 2009, the Court held an on-the-record conference call with counsel for both parties, at which time the Court discussed *inter alia* the FTC's Motion to Unseal the Complaint. Counsel for Defendants advised the Court that they object to the FTC's Motion and assert that certain portions of the Complaint should remain properly under seal. The parties agreed to meet and confer and submit, by no later than June 2, 2009, a redacted version of the Complaint that redacted only those specific portions of the Complaint that are in dispute between the parties—*i.e.*, that Defendants assert should remain under seal. As to the contested material, Defendants shall file an opposition to the FTC's Motion to Unseal by no later than June 5, 2009, and the FTC shall file its reply, if any, by no later than June 8, 2009. Finally, the parties agreed that the case itself could be unsealed. That is, the caption and docket shall be made public and any future submissions filed after the date of this Order shall also be made public, unless

otherwise ordered by the Court, but all entries filed prior to the date of this Order shall remain under seal.

Accordingly, it is this 1st day of June, 2009, hereby

ORDERED that the above-captioned case shall be unsealed. Accordingly, the caption and docket shall be made public and any future submissions filed after the date of this Order shall also be made public, unless otherwise ordered by the Court, but all entries filed prior to the date of this Order shall remain under seal.

SO ORDERED.
